# Inaugural Senator Gerald Malloy Golf Tournament!

On Saturday, April 20, DCCAA hosted the Inaugural Senator Gerald Malloy Golfing Against Poverty Golf Tournament at Fox Creek Golf Club in Lydia.

Nearly 30 golfers joined us on the green to help raise nearly \$15,000 to benefit low income families in the Darlington County community.

Thank you golfers, sponsors, staff and volunteers for making our tournament a success! We look forward to seeing each of you next year. Bring a friend and meet us there – Saturday, April 11, 2020!

## *Community Action Week!*

Our Community Services Department celebrated Community Action Week May 13<sup>th</sup> through May 18<sup>th</sup>. The week culminated with Community Action Day! Over 100 people came out to enjoy the festivities and to receive information about local resources available to enhance their overall wellbeing and achieve self-sufficiency. From the funnel cakes and snow cones to the fried fish and Hibachi style fried rice, the community ate well as the children enjoyed the bouncy house and attendees won free gifts. Thanks to the community for showing up and a special thanks to our vendors, volunteers and staff for truly making this annual event a spectacular one!

## “Screen on the Green!”

This annual free community event features six movies from June 1 through August 24. The event is held at Burry Park, 131 Cargill Way, Hartsville, SC and begins at dusk (8:45 pm or later). Hosted by the City of Hartsville and sponsored by local businesses, Screen on the Green helps promote community unity and comradery.

Check out the dates and join in the fun! Attendees are asked to bring their own lawn chairs and/or blankets to make themselves comfortable. In case of inclement weather, movies will be shown at Coach T.B. Thomas Sports Center. Grab the kids and some snacks and come enjoy your neighbors!

Making mathematical ideas “real” by using words, pictures, symbols and objects is an important block in a child’s foundation.

Science teaches children about the world around them and how to relate to real-life situations.

Remember our children should get at least 60 minutes of physical activity each day!

Music and movement helps develop and refine social skills in children.
